

500 BOOKS BEFORE MIDDLE SCHOOL CHALLENGE

Read a book, any book, for fun!!!

The goal is to read 500 books before your child starts middle school.
Does your child have a favorite book that you read over and over and over again?

Each time counts! It's all about the reading!

If you read 2 books a week, you will have read 104 books in a year.

That is 208 books in two years and 312 books in three years!

You have more time than you think to complete the
500 Books Before Middle School Challenge!

Enroll your child anytime before middle school and complete the challenge at your own pace before your child enters 6th grade. And for every 50 books read, your child will receive a prize! Track your child's progress by using the Jack Russell Memorial Library's Beanstack website, Beanstack app, or by downloading the paper tracker.

Don't have a printer? Stop by the Youth Desk for a tracker folder.

LEVEL 1

1 - 50 BOOKS READ

A grid of 50 triangles arranged in 5 rows and 10 columns. The triangles alternate in orientation: the first triangle in each row is upright, and the second is inverted. This pattern repeats for all five rows, creating a total of 25 upright and 25 inverted triangles. These shapes are intended to be colored in as books are read.
