

Bottle Cap Flowers

Materials

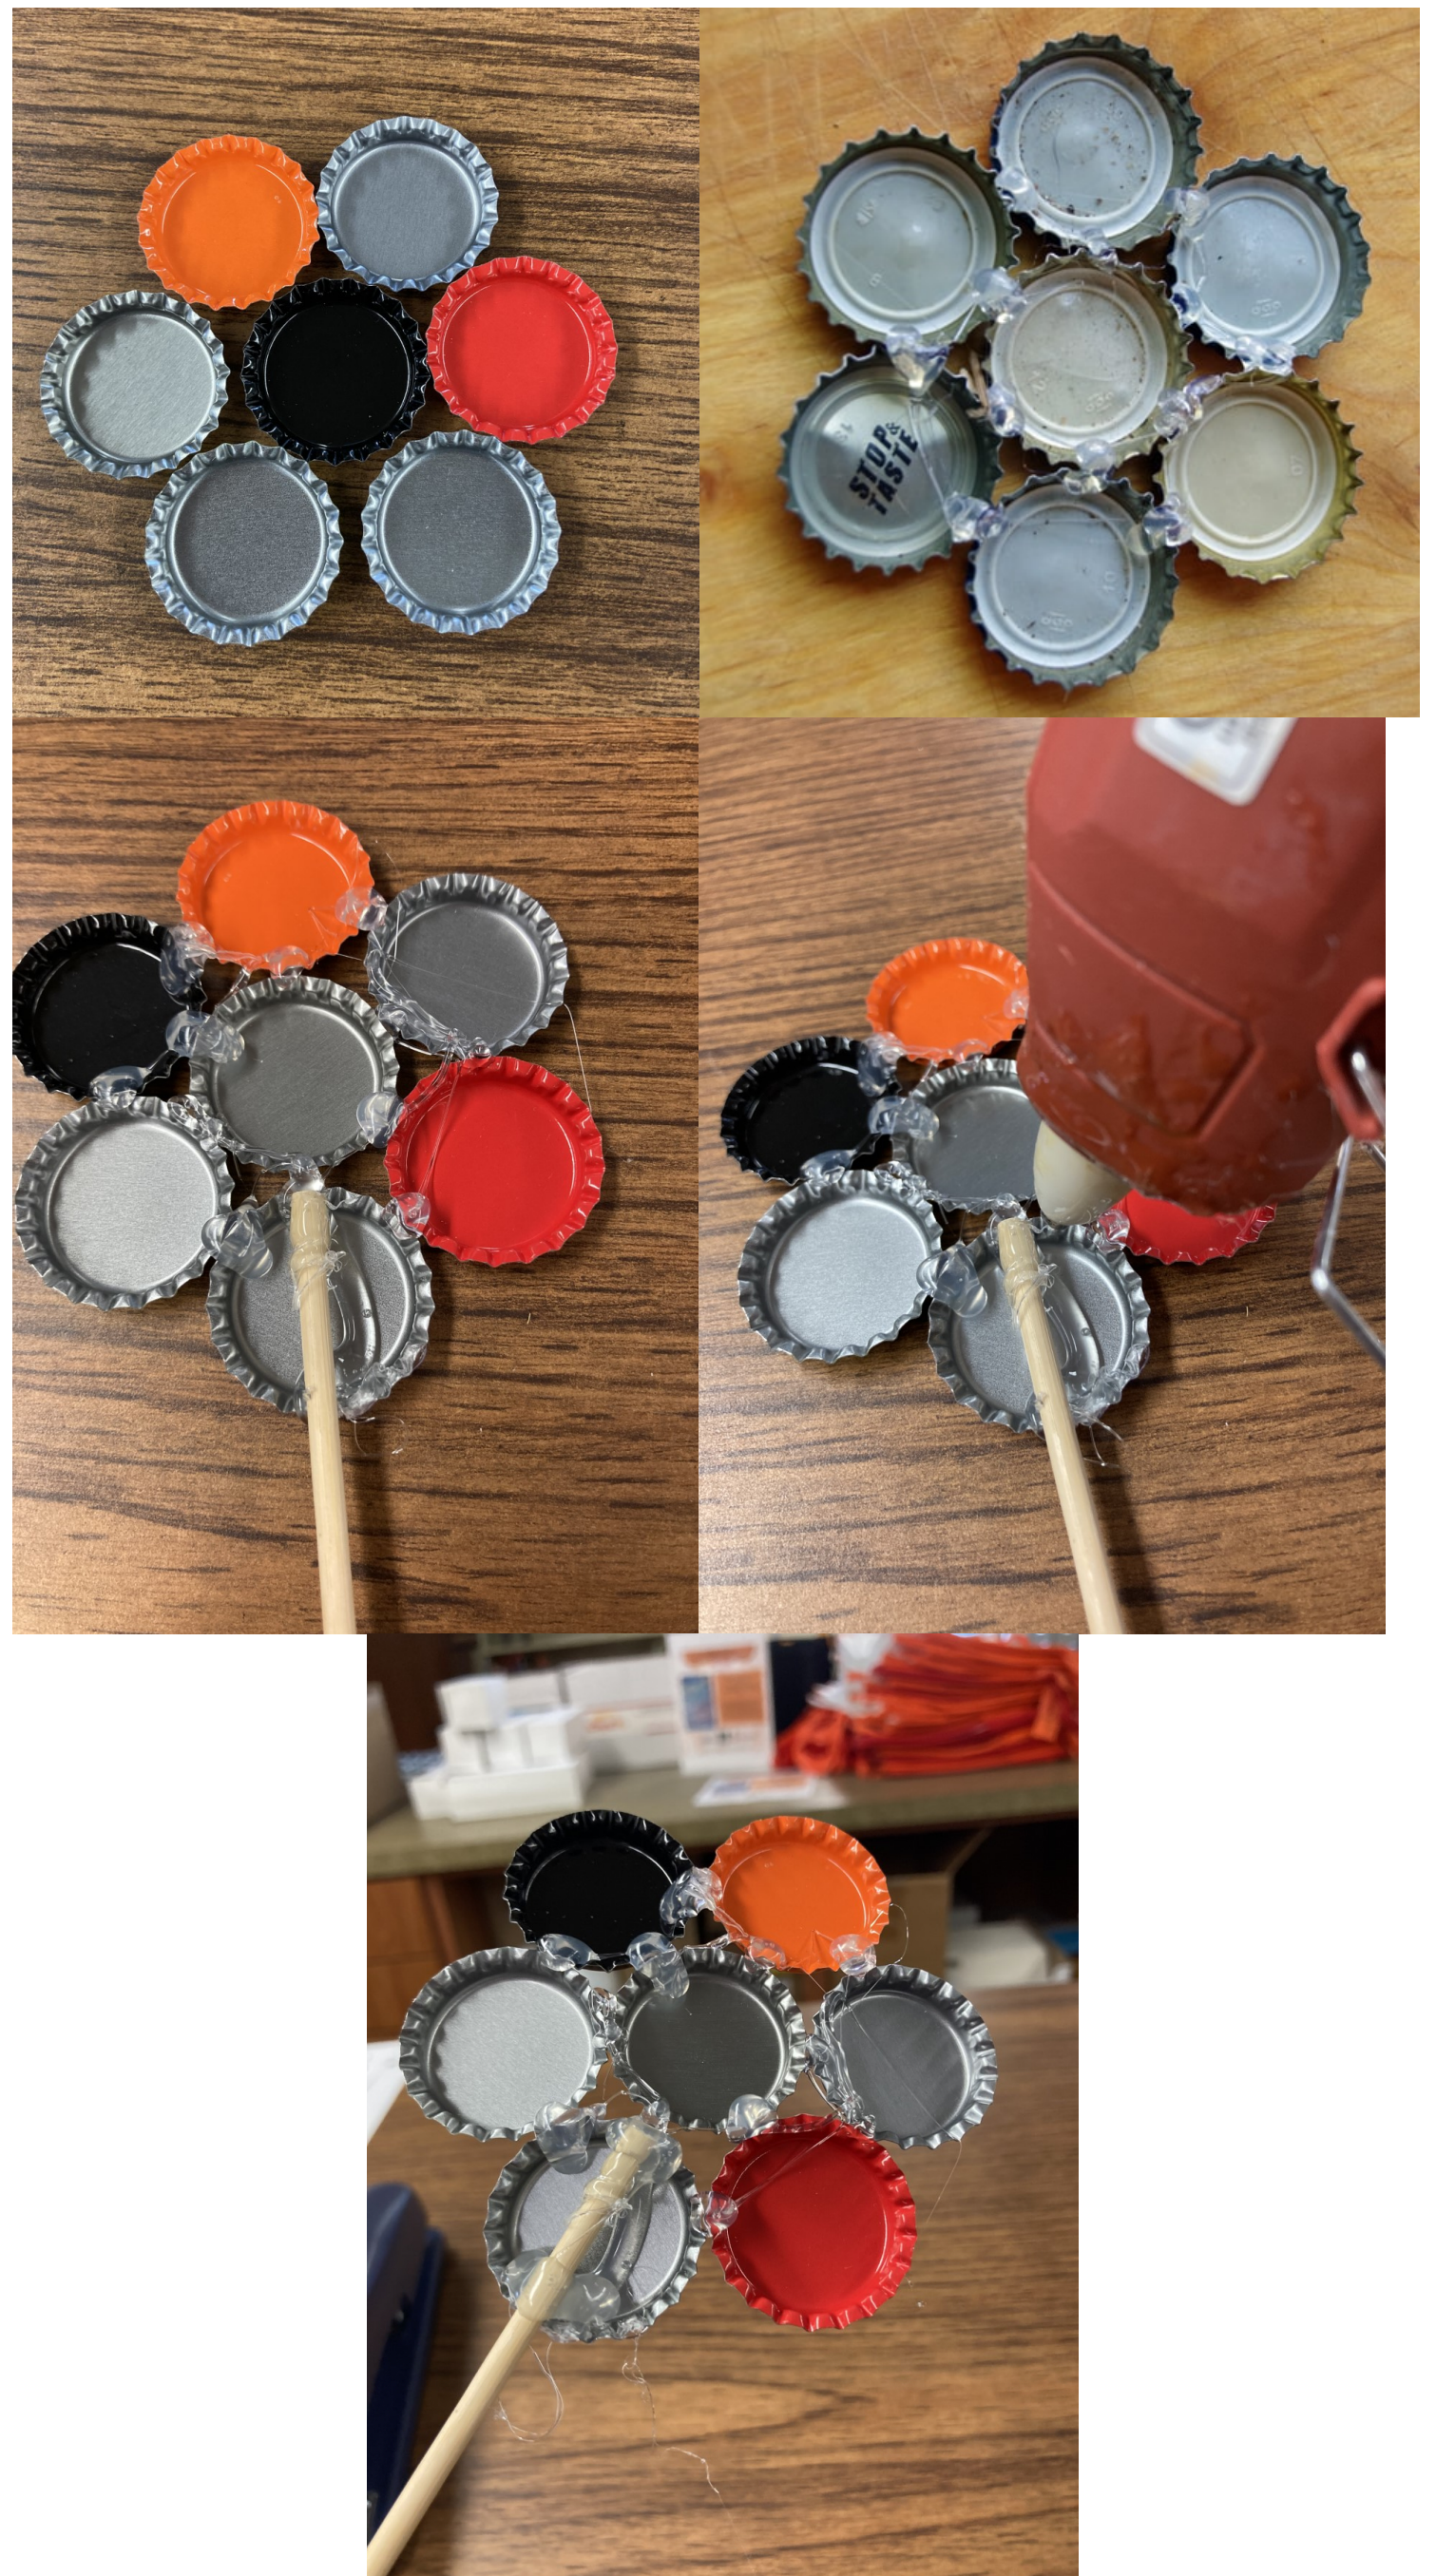

- 7 metal bottle caps per flower
- 1 wooden skewer per flower
- hot glue gun
- piece of newspaper

Instructions:

1. Arrange the bottle caps in a circle upside down. Start with one cap in the center and 6 around the outer ring. Place them upside down on a piece of newspaper.

2. Hot glue all the bottle caps together. Do this gently to avoid separating before the glue is dried. You may want to do this twice to make sure it is very sturdy.

3. Hot glue the skewer to the back of the metal flower. You may want to glue this twice also to make sure its very sturdy. Let cool.
