## Materials

- 20 toilet paper rolls or substitute 10 paper towel tubes
- scissors
- salad plate for a circle guide
- ruler
- hot glue

## Instructions:

1. Collect toilet paper rolls and paper towel rolls until you have a substantial amount (around 20 or so)
2. Remove all remnants of paper from the rolls, flatten the rolls, measure and cut into strips about 1.5" wide.
3. Using a guide like a salad plate or pot lid arrange pieces to create a base for the wreath.
4. Hot glue the pieces together to create a circle.
5. Continue by arranging and hot-gluing pieces in concentric circles around the base in a design that pleases you.
