

# Glittered acorn Art

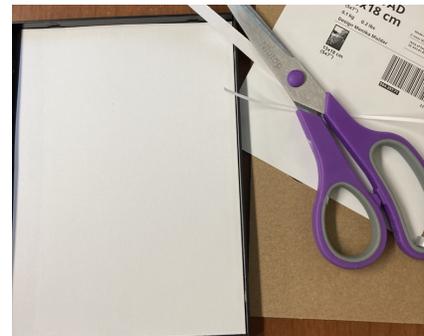

## Materials List

- Acorns
- Glitter Glue
- Hot Glue
- Paintbrush
- Sheet of card stock
- Frame
- Scissors

## Instructions:

1. First, cut card stock to fit in frame and place inside frame. You will need to take the frame apart and discard the clear Plexiglass (it's not needed for this project). Make sure your frame is laying flat on the table and set the side.
2. Next, paint each acorn. We suggest leaving a small area on the back for the hot glue. Also, only painting 3/4 of the acorn will help with laying on a piece of paper to dry. Let dry.
3. When each acorn is dry, lay the frame flat and hot glue each acorn into place using a pattern of your choice.
